4) Open a new tab in your browser, and paste that link. Click "Go" or "Enter" to open the link as if you are

completing the survey. You should see the first screen of that survey.

5) AFTER you have "pinned" the survey to your tablet, ensure you have **properly logged off** your access to the Tickit dashboard.

Using an Acer tablet:

1) At the top-right corner, click on the 3 dots to view menu items

3) Navigate to "Surveys" and grab the link you want to pin

2) Select "Add to home screen", and you should see this link pinned to your home screen for easy access
