

My View

MESH at camp

My View is screening tool empowering campers to share critical information about their mental, emotional, and social health that could impact their stay at camp.

Here's what the campers see...

Enter first and last name, Consent

Welcome to My View!

Please enter your FIRST NAME and LAST NAME (For example: John Smith)

Thank you for sharing your view!

The camp staff will check out your responses so they can support you and the camp better.

After the campers complete the survey, you can see the results on our password protected site

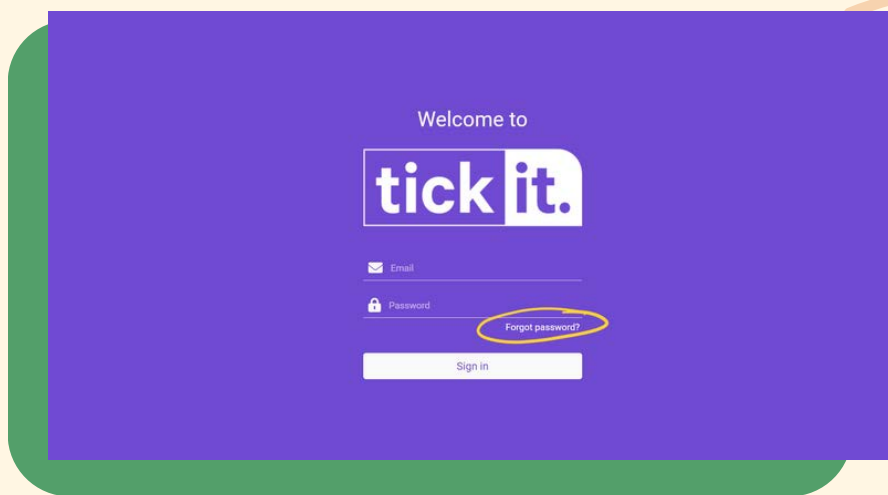

Access & Filter Results

Tickit
Health.

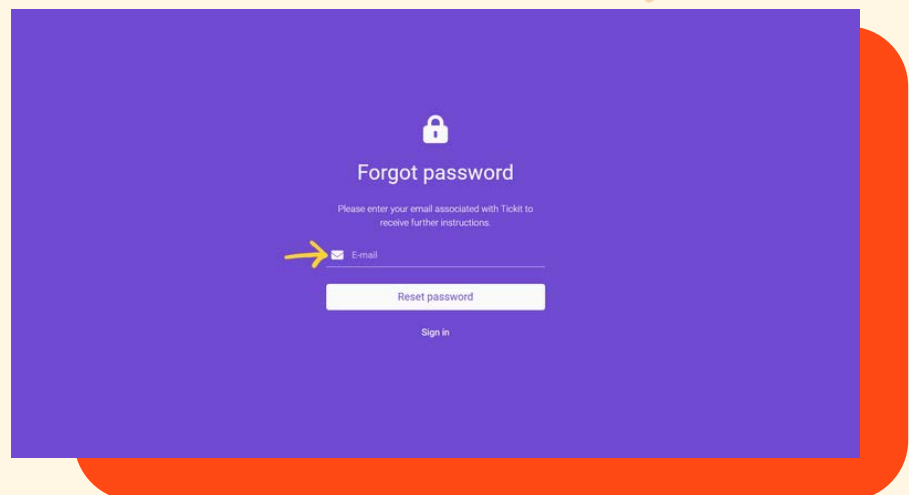

Once campers have completed the surveys, you can view their results on our password protected website.

Log into: <https://us.tickitforhealth.com/dashboard/login>

A screenshot of the Tickit login page. The page has a purple background with a white 'tick it.' logo. Below the logo are fields for 'Email' and 'Password', and a 'Forgot password?' link circled in yellow. A 'Sign in' button is at the bottom.

Can't remember your password? Click "Forgot password?"

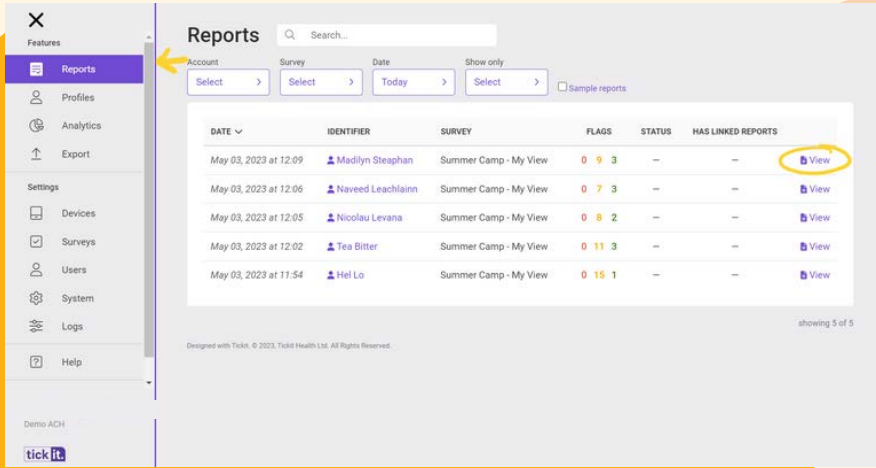

Enter your email in the next screen and click "Reset password"

A screenshot of the Tickit forgot password page. The page has a purple background with a white padlock icon and the text 'Forgot password'. Below this is a message: 'Please enter your email associated with Tickit to receive further instructions.' There is an 'Email' input field with a yellow arrow pointing to it, and a 'Reset password' button. A 'Sign in' link is at the bottom.

A password reset link will be sent to your email, through which you can set a new password.

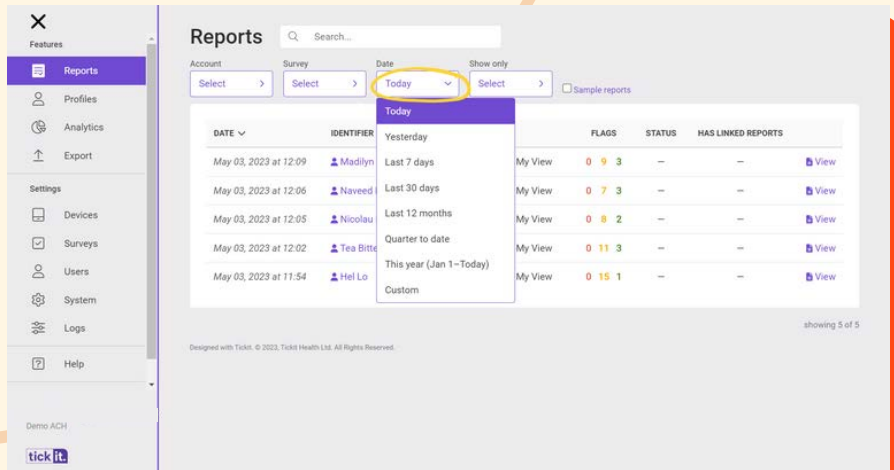

Access & Filter Results

The flags help identify strengths of that camper, and risks to that camper. Here are some of the ways you can choose how to view the results...

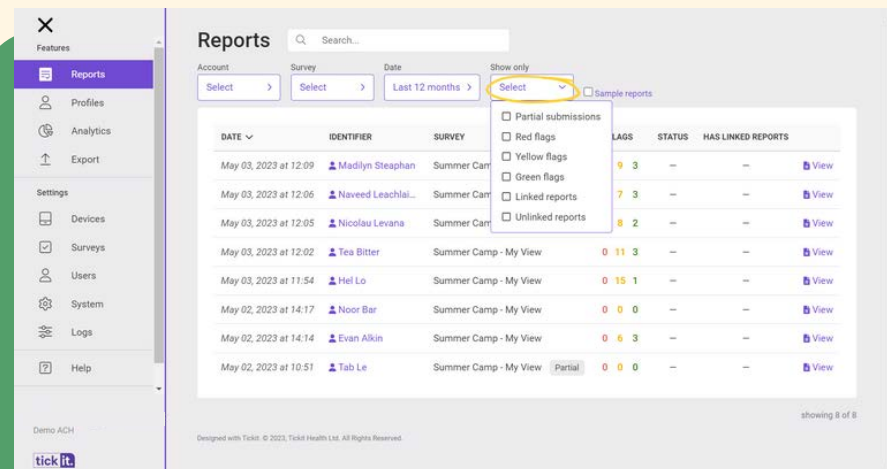

See camper responses:
Go to the "Reports" tab
Click "View" to see individual responses

Filter responses by time:
Click "Today"
Choose from options

Filter responses by flags:
Click "Select"
Check "Green flags" to see strengths
Check "Yellow flags" to see health & wellbeing risks
Check "Red flags" to see safety risks

Access & Filter Results

Flags are a way to quickly identify the kids in need and respond efficiently to their responses. Filter responses by ascending or descending number of flags:

Check FAQ document for further questions!

Status

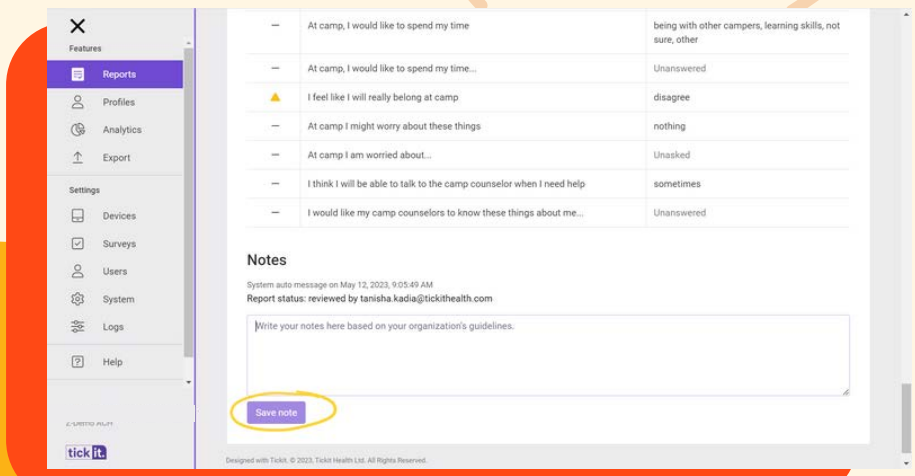

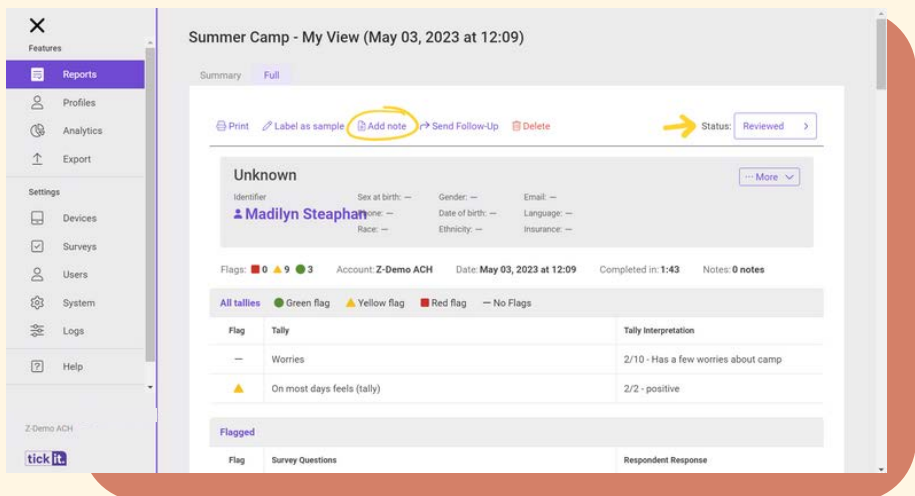

To keep track of which reports have been viewed and addressed, use the Status feature.

Click on the "Reports" tab
Click "View" on
whichever report you'd
like to address

Click on "Status" and
choose between
"Reviewed" or "Approved"
Click "Add note" to make
any comments on the
report

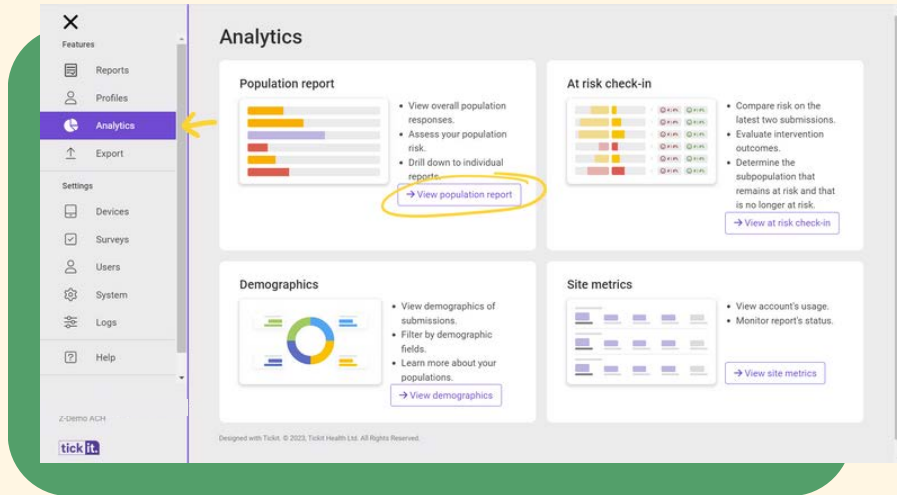

Write the note and click
"Save note"
This Status and Note can
be seen by others with
access to the results for
ease of communication

Analytics

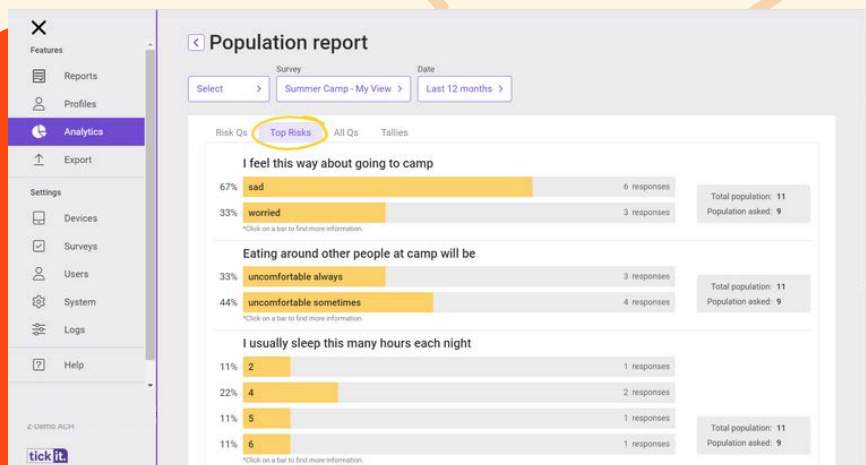

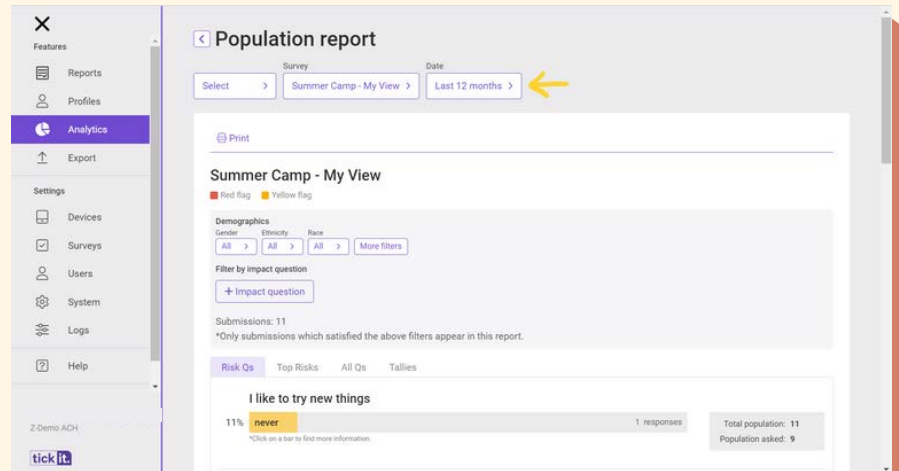

This feature lets you see overall trends in the responses in the form of a population report

Tickit
Health.

Click on the
"Analytics" tab
Click "View Population
Report"

Adjust date range of
responses included in
the report.
Click "Today"
Choose from options

Choose between the
tabs to see different
kinds of reports. "Top
Risks" lets you see what
the main challenges are
to your campers
